Art Unit: 2832

Allowable Subject Matter

1. Applicant's arguments to the objection and rejection are deemed to overcome the outstanding office action.
2. Claims 1-15 are allowed.

The following is an examiner's statement of reasons for allowance:

The Prior Art does not teach or suggest a door open/close operating device comprising a control device which detects an operation of the operating switch, an actuator which is driven by the control device, an output member which is driven by the actuator and transmits a drive force from the actuator to a door open/close member, and an auxiliary power source which subsidiarily supplies a power to the control device and the actuator, wherein the operating switch, wherein the operating switch, the control device, the actuator, the output member and the auxiliary power source are integrally formed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
